Dear Daffodil Friends,

A welcome, cool breeze is stirring the drapes as I sit typing the final pages of this newsletter in the wee hours of the morning. The summer has passed much too fast as I realize that school begins again in two weeks. The weather has been most uncooperative with both high humidity and temperatures, especially on the days I was able to lift bulbs!

After the Washington Show, I traveled to Northern Ireland and England for a two week trip. I was entertained royally by Kate and Robin Reade, Mary Kate and Sandy McCabe, Sir Frank and Lady Harrison, Helen Logan (my roommate in Dallas), Clarke, Roseanna and Desmond Campbell and Tom and Maureen Hanley. My hosts, Brian and Betty Duncan were most accommodating and gracious. Thanks to them, I saw many sites in N. Ireland (all captured on film) and even traveled south to the Republic for a visit with a reclusive hybridizer.

The show in Belfast was outstanding, and my few, pitiful flowers rewarded me with 25 pounds. In over 25 years of competitions, it was the first time I have ever won money!

After nine days, we flew to London for the late RHS Competition in Westminster Hall. There were few daffodils, but they were of high quality. Clive Postles' exquisite 'Carole Lombard' won Best in Show.

The many trade stands were quite impressive. I was particularly drawn to the alpine and dianthus displays. I wrote a very long wish list but could not devise a way to safely smuggle some plants back to the U.S.

Time allowed a quick trip to Wisley. There was so much to see and not enough time. Again, I was drawn to the Alpine House and its small treasures.

The flight home was long and tiring but made bearable by conversing with a young couple from Manchester making their first trip to the U.S. We discussed sights to see in Washington, D.C., and they urged me to return to England to see the picturesque lake country. Since I could not possibly see or do everything I desired in one trip, I guess that I will just have to plan another!

The September 23 Regional Meeting is approaching quickly. It will be a time for learning, sharing, visiting with old friends, and making new ones. I hope that a majority of the new members (25 at last count) will be able to join the "regulars" for a day of daffodils.

See you in Charlottesville!

Mary

A few days after the Dallas Convention, our good friend, Pat Crenshaw, passed away. She endured ill health for a long time but never lost interest in daffodils or her fellow gardeners. No matter how miserable she felt, she always asked of my mother's confinement. She was a great supporter to the end of the WDS and her garden club. Pat will be sorely missed by her many friends.

Christchurch, New Zealand, will host the 5th World Daffodil Convention on September 27-29, 1996. The event will feature a Daffodil Exhibition and Show, world renowned guest speakers

and Pre-Convention Tours. Brochures published by the New Zealand Daffodil Society can be obtained from me for those of you who are interested.

The ADS is also organizing a tour separately from the one described in the green brochure. An advertisement by KiwiPac Tours of Belmont, Ca., and an article by Kirby Fong will be included in the September ADS Journal.

ATTENTION SHOW CHAIRMEN

Your show schedules must be sent to Leone Low, ADS Awards Chairman, for approval by October 1. She will notify the Journal editor of your show date, location and contact person.

Thank you all for being so prompt in sending the show reports to me this year.

The morning program will begin at 9:15 with two lectures and a question and answer period. There will be NO Judge's Refresher Course. A cocktail hour (cash bar) at 6:30 will precede the 7:30 p.m. dinner. Another enjoyable program will follow the meal.

As a ways and means project, special bulbs from several growers will again be raffled for a small donation. Winning tickets will be drawn at both lunch and dinner. The 23rd may be your lucky day!
