

BOB BAFFERT SUSPENSION EXTENDED THROUGH 2024 AT CHURCHILL DOWNS

Bob Baffert at Churchill Downs | Horsephotos

Churchill Downs Incorporated is extending the suspension of Bob Baffert through calendar year 2024 based on what Churchill Downs called continuing concerns regarding the threat to the safety and integrity of racing he poses to CDI-owned racetracks. The Company released the following statement:

“Mr. Baffert continues to peddle a false narrative concerning the failed drug test of Medina Spirit at the 147th Kentucky Derby from which his horse was disqualified by the Kentucky Horse Racing Commission in accordance with Kentucky law and regulations. Prior to that race, Mr. Baffert signed an agreement with Churchill Downs which stated that he was responsible for understanding the rules of racing in Kentucky and that he would abide by them. **Cont. ‘WE CAN’T HIDE ANYMORE’: SUCCESS BUILDS C&S THOROUGHBREDS

by Jessica Martini

People took notice when Carlos Estrada and wife Sarah Estrada-Brok built a steady drumbeat of pinhooking successes and the couple’s C&S Thoroughbreds consignment, which began a few years ago as just one or two of their personal pinhooks prepared on rented farms in the Bluegrass, has turned into a barnful of 18 sales-bound yearlings prepped on their own farm in Georgetown. C&S Thoroughbreds makes its second appearance at the Fasig-Tipton July Selected Yearlings Sale next Tuesday with a five-horse consignment.

The Estradas ran their first consignment in 2017 under the established consignment of Estrada-Brok’s mother, Becky Merkel, before establishing their own brand.

In its first year selling under their 2-year-old sales banner, Sterling Thoroughbreds, the couple sold a Brody’s Cause colt--purchased as a yearling for \$6,000--for \$290,000 at the 2021 Fasig-Tipton Midlantic May Sale. At that fall’s Fasig-Tipton October Yearling Sale, they sold a colt by **Ghostzapper**--purchased as a weanling for \$7,000--for \$140,000, as well as an **Always Dreaming** colt--purchased for \$15,000--for \$125,000.

“We started out just pinhooking two or three horses and we did well,” Estrada-Brok said. “So we got six horses and then we did even better and then we got 12 horses. Now we have a barn of 18 going to the sales. It started out just us and then people started to come to us.” **Cont. Pg. 3**

Bob Baffert Cont. From Pg. 1

“The results of the tests clearly show that he did not comply, and his ongoing conduct reveals his continued disregard for the rules and regulations that ensure horse and jockey safety, as well as the integrity and fairness of the races conducted at our facilities. A trainer who is unwilling to accept responsibility for multiple drug test failures in our highest-profile races cannot be trusted to avoid future misconduct. Mr. Baffert will remain suspended from entering horses at all racetracks owned by CDI through 2024. After such time, we will re-evaluate his status.”

Baffert told the *TDN*, “I am at a loss to understand Churchill Downs’ latest action to suspend me. From the moment I learned of Medina Spirit’s post-race positive--now more than two years ago--I committed to find out how it could have occurred, given that we had never injected Medina Spirits joints with betamethasone, which the veterinary records confirm. A review of our treatment records showed we used a topical ointment called Otomax for a skin infection, and post-race testing of the sample confirmed the positive test came from a topical application. I have been open, honest and forthcoming about these events. I have acknowledged that our treatment led to the positive and I informed the Kentucky Racing Commission that we had treated Medina Spirit this way. I have been advised by my attorneys that the use of Otomax is permitted under the rules, and this issue is presently being adjudicated by the Racing

Commission in a case presently before them. In no way does this involve a "disregard for the rules".

In the interests of the sport we all love, I have made no public comments on this unfortunate episode for an extended period of time so the suggestion that I "continue to peddle a false narrative" is patently false..”

Clark Brewster, who represented Bob Baffert in the Medina Spirit case, added: “This has nothing to do with anything that Bob has done or said. Bob simply has come forward and said he used this particular topical and that the rules permitted it. He felt that the rules dealing with betamethasone involved with injecting a horse within 14 days of the race. He’s been open and transparent and hasn’t been in any way accusatory. The words in this release are shocking and don’t deal with the reality in any way.”

“We tried to stay small with ourselves, but it didn’t work out like that.”

She added with a laugh, “We can’t hide anymore.”

Carlos and Sarah Estrada | Jody Mihalic

"We were renting at a couple of different places and eventually we did well enough in the sales that we could buy our own farm," Estrada-Brok said. "We are just here in Georgetown. It's really close to everything. The Horse Park and Hagyard are about two miles away, Fasig is six, but it's a great farm and we filled it up. Carlos built a round pen and he put a walker in. My parents bought the farm right next door, and they have an aqua tread, so we go and use that."

Of the couple's move to Kentucky, followed by her parents, Estrada-Brok laughed and said, "My husband jokes that he brought the whole Brok family from Pennsylvania because my sister moved down here, too."

C & S Thoroughbreds sold four horses at last year's Fasig-Tipton July sale, led by a colt by **Classic Empire** who sold for \$140,000. The consignment also sold a filly by **Distorted Humor** last July for \$110,000. That filly returned to sell for \$485,000 at this year's OBS April sale.

"Last year was a great group and it's another strong group this year," Estrada-Brok said. "I think our clients upped the price range a little bit when they bought them. It's a good, solid group of fast early horses. I am really happy with what we are taking over there."

C & S Thoroughbreds' five-horse July consignment includes yearlings being sold on behalf of clients, as well as a pair in pinhooking partnerships. The group are all colts and all but one are the first or second foals out of their dams.

"This year when we went to the sales to buy, we bought more colts than fillies," Estrada-Brok said. "And we did that on purpose. Everybody always has the Derby dream. So we tend to stick more to colts."

She continued, "Typically when Carlos and I buy, we do look for the first or second foal. That's typically what we try to go for. Buying a horse with pedigree is expensive, we can't always afford those, so we need to look for angles."

The couple's July consignment includes a pair of yearlings by Bolt d'Oro: **Hip 161** was purchased by Gary Contessa for \$33,000 at last year's Keeneland November and Contessa signed for **hip 357** for \$80,000 at the same sale.

"I have two really nice Bolt d'Oros for a client," Estrada-Brok said. "And he is just as hot as anybody."

As part of a pinhooking partnership, the Estradas purchased a colt by **Munnings (hip 164)** for \$100,000 at this year's Keeneland January sale.

"He is a big, strong forward horse," Estrada-Brok said of the colt. "He's a Saturday horse, that is what he is."

Also part of a pinhooking partnership is a son of **Complexity (hip 341)** who was purchased for \$27,000 at Keeneland November.

The C&S Thoroughbreds consignment is rounded out by a homage to the operation's roots in Pennsylvania. A homebred for Whiskey Run Stables, the colt (**hip 204**) is by **Rowayton**, a stallion who began his career at the Broks' Diamond B Farm.

In addition to the July sale, C&S Thoroughbreds will be offering yearlings at the Fasig-Tipton New York-bred Yearlings sale and the Fasig-Tipton October sale.

Fasig-Tipton will host its July Selected Horses of Racing Age Sale at its Newtown Paddocks facility Monday, with bidding beginning at 2 p.m. The company's July Selected Yearlings Sale will be held Tuesday beginning at 10 a.m.

MCLEAN ROBERTSON LATEST TRAINER TO BE SUSPENDED BY HIWU

by Bill Finley

McLean Robertson | Coady

McLean Robertson, a top trainer in the Midwest whose accomplishments include a pair of training titles at Canterbury Park, has been provisionally suspended by the Horseracing Integrity and Welfare Unit (HIWU) after a horse he trained allegedly tested positive for Altrenogest. The ruling was posted to the HIWU website Monday.

It's been a busy few days for HIWU. On Saturday, it was reported on the HIWU website that New York-based trainer Raymond Handal has been provisionally suspended after an alleged positive for Zeranol. On Sunday, the website included a ruling against trainer Jonathan Wong, whose stable includes divisions in Kentucky and California. He has also been provisionally suspended after an alleged positive for the prescription drug metformin, a type 2 diabetes treatment.

All three positive were for drugs on HIWU's banned substance list. In those cases, trainers who have had horses test positive receive automatic provisional suspensions, which go into effect once the positives are made public.

The ruling on Robertson came under HIWU Rule 3212 which covers the presence of a banned substance and/or its metabolites or markers.

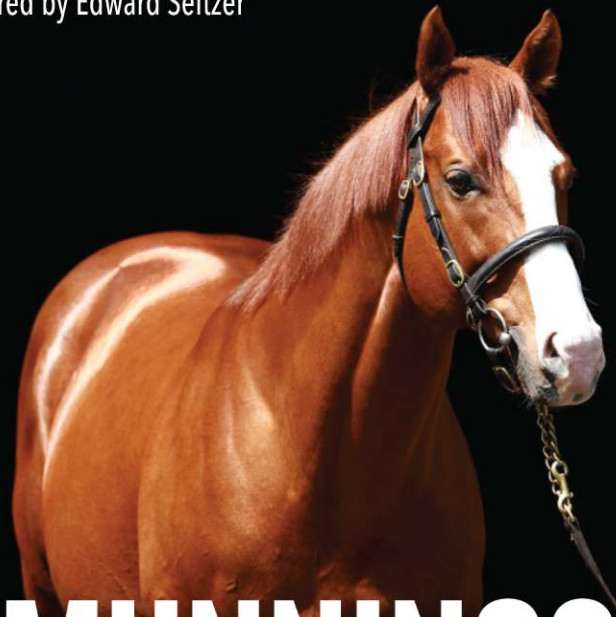

Altrenogest is sold under the names Swinemate, Altren and Regumate and is used in veterinary medicine to suppress or synchronize estrus in horses and pigs. According to the website of the National Library of Medicine Altrenogest is "a commonly used progestogen for the suppression of oestrus and associated distracting behaviors that interfere with training and performance of female racehorses." The report on the website also notes that Altrenogest is "structurally similar to the anabolic androgenic steroid." **Cont.**

The horse in question, Johnny Up (Majesticperfection) is not a filly or mare but a gelding. The alleged positive occurred in a June 4 race at Canterbury, a \$10,500 claimer in which Johnny Up won by 6 1/4 lengths.

By mid-afternoon, Robertson had not returned a phone call seeking comment. Robertson has 1,544 career wins from 7,108 starters.

NYRA RELEASES STATEMENT ON EQUINE SAFETY AT BELMONT

Following an incident after race eight on Belmont's Monday card where Cold Hard Cash (**Maclean's Music**) sustained an apparent cardiovascular event during the gallop out and collapsed and died on track, NYRA spokesman Pat McKenna released the following statement:

“The health and safety of horses and jockeys competing at NYRA tracks is our highest priority and one that stands above all other considerations. NYRA’s comprehensive safety strategy is informed by the most advanced science and research in consultation with independent experts, veterinarians, and horsemen. Every horse entered to compete at Belmont Park is required to undergo an extensive pre-race veterinary examination before the horse is permitted to race. In addition to physical inspection and observation, regulatory veterinarians perform a detailed review of each horse’s medical records, past performances and workouts. According to these well-established protocols, Cold Hard Cash passed the required pre-race veterinary inspection. In the course of investigating this injury, necropsy results will be analyzed by Horseracing Integrity and Safety Authority (HISA) officials as well as the New York State Equine Medical Director.” **Cont.**

The NY Race Track Chaplaincy, for over a decade, has provided a Summer Enrichment Program in Saratoga in order to keep Saratoga families together during the racing season and give the children an opportunity to experience a summer that some have never had before; away from the city and the track. This program meets so many critical needs for the families we serve. We turn no child away and rely entirely on contributions to keep the program going.

Your donation will directly impact the life of a child.

We invite you to partner with us as we prepare to begin the 2023 program.

Thank you for allowing us to serve the families of the backstretch in this critically important way.

“NYRA, HISA and the New York State Gaming Commission will closely review the circumstances around this incident to ensure we are providing the safest possible environment for racing and training at Belmont Park.”

Five horses have incurred fatal injuries during racing at the 2023 Belmont Park spring/summer meet, which began May 4 and has featured 2,493 horses starting in 326 races.

WHAT'S IN A NAME? ROSE MADDOX SEEKS GRADED STAKES WIN FOR NICK ALEXANDER

by Bill Finley

Rose Maddox (inside) | Benoit

You may know Rose Maddox (Grazen) the horse. A 4-year-old California-bred filly, she's won five races, including the Golden Poppy S. and the Moscow Burning S., and is 6-1 in the morning line for Tuesday's GII Great Lady M. S. at Los Alamitos. But you may not know of Rose Maddox the person.

She was an American country singer-songwriter and fiddle player who passed away in 1998. Born in Boaz, Alabama and the daughter of sharecroppers, her family sold all their possessions for \$35 when she was seven and left for California to find a better life. They began their journey on foot before hopping a freight train to complete the journey. She'd go on to have 14 hits on the Billboard country singles chart between 1959 and 1964, including several duets with Buck Owens.

She's exactly the type of person owner-breeder Nick Alexander looks to honor when he names his horses.

“I always try to find people who have succeed against long odds or persevered and she fit the bill,” Alexander said.

When it comes to naming horses, no one is more clever than Alexander. Now 80, Alexander has been a fixture at the California tracks since the late seventies. He races exclusively California-breds and many are named after people who are, to

Alexander, real-life heroes who haven't gotten the recognition they deserve.

“What I do, it's an opportunity to put something out there that just isn't a combination of the dam and sire's name,” he said. “I've always thought that was kind of a dumb idea. I'm trying to give some notoriety to people who had either been forgotten or were never very well known.”

The list is a long one.

Desmond Doss (Grazen) is among Alexander's better horses. He's a three-time stakes winner who has earned \$456,911 and is named after the only conscientious objector to receive the Medal of Honor. Doss is best known for distinguishing himself during the Battle of Okinawa by saving an estimated 75 men. Doss refused to carry a weapon into combat because of his personal beliefs as a Seventh-day Adventist against killing, the reason why he became a combat medic. His story was the subject of the 2016 Oscar-winning film Hacksaw Ridge.

“Desmond Doss had very strong convictions about his religion,” Alexander said. “He was determined to save lives rather than take lives. I can't imagine how in the Battle of Hacksaw Ridge he did what he did in those conditions. He singlehandedly saved 75, 80 wounded marines through the night of a miserable battle against the Japanese. He survived, came home and married his high school sweetheart. You have to admire someone like that.”

Alexander's father served in the Navy during World War II, a reason why he likes to name horses after people who served with honor during the war. Alexander owns an unraced 2-year-old colt named Butch O'Hare (Grazen), who is named after another World War II hero. O'Hare Airport in Chicago is named after the Navy fighter pilot.

"He was a very atypical World War II navy fighter pilot," Alexander said. "Most of them were tall, dark and handsome and looked like movie stars. He was short, balding and pudgy. He flew into a squadron of Japanese bombers who were headed toward the Lexington, which at time was our only operational aircraft carrier after Pearl Harbor. He was coming back from a mission where he didn't find anything and he was flying alone. He flew right into the middle of this group and took out five or six of them to the point where they turned around and went back."

He's also a baseball fan. Growing up in Los Angeles, he has been a Dodger fan going back to their days in Brooklyn. He liked the team because he was a big admirer of Jackie Robinson. He has yet to name a horse after Robinson but does have a Pee Wee Reese (Tribal Rule), whose wins include victories in the GII Eddie D. S. and the GIII American S. and is named after one of Robinson's teammates.

"Pee Wee Reese is one of my best horses ever," Alexander said. "He was the captain at time Jackie came up. Pee Wee was from the South originally and some of southern players on Dodgers signed a petition saying they didn't want to play with Jackie. Pee Wee was the one that changed minds and made people realize why wouldn't you want someone as good as Jackie Robinson playing for your team, no matter what color he was?"

Sometimes, Alexander will name horses after fictional characters. That list includes Isabel Ludlow (Grazen), who will start in Tuesday's third race at Los Alamitos, a Cal-bred maiden special weight race. Isabel Ludlow is the name of a character in the movie Legends of the Fall. Alexander said it's one of his favorite movies and that he was a fan of the character played by Karina Lombard.

He says he doesn't spend a lot of time researching names or doing anything out of the ordinary.

"I'm 80 years old and I've been around a long time, so I guess I know a few things," he said. "I'm not a serious scholar, but there are things I'm interested in like World War II."

Facing open company in a graded stakes race after running second against state-breds in the Fran's Valentine S., Rose Maddox will be in a tough spot in the Great Lady M. Alexander is hoping for the best.

"It would be awesome to win a race like that," Alexander said. "We've had a couple of Grade II winners from our homebreds,

but it's always exciting to see another one come along who has the potential. She started out modestly at Golden Gate but she can do just about anything. She's won short, long, on synthetic, on dirt, on turf. I don't know if she's good enough to run with those horses. We will find out. But she's a wonderful horse to have in the barn."

And so well-named.

EDA RETURNS TO GRADED-STAKES ACTION IN GREAT LADY M

Making just her second start in the last 16 months, Bob Baffert's Eda (**Munnings**) looks to keep her winning streak rolling in Tuesday's GII Great Lady M S. Los Alamitos Race Course plays host to the \$550,000 OBS March grad who enters having won her last five straight dating back to Oct. 2021 for owner Baoma Corp. Already a Grade I winner over this track with her victory in 2021's GI Starlet S., Eda went to the sidelines off a gate-to-wire score in the GIII Santa Ysabel in her next start and did not return for 13 months. Again showing her trademark speed, she wired the allowance field at Santa Anita Apr. 28 in her first start off the layoff. Trainer Bob Baffert seeks his fifth Great Lady M win having taken four of the last seven including back-to-back editions with Marley's Freedom (**Blame**) in 2018 and 2019.

Lined up just to Eda's inside, Elm Drive (Mohaymen) also enters off a win, taking the Mizdirection S. at Santa Anita May 20 in her first attempt on the grass. Last year's third-place finisher in this race, the 4-year-old has her own win streak going and is undefeated since coming back to Phil D'Amato's barn for 2023 with a win in the off-the-turf GIII Monrovia Apr. 8. In her only prior start against Eda, Elm Drive came out the winner, just getting her head in front of her rival in second career start in the 2021 rendition of the GII Sorrento S. **Cont.**

Last year's winning connections of owner Nick Alexander and trainer Steven Miyadi, who took the 2022 Great Lady M with Becca Taylor (Old Topper) bring Rose Maddox (Grazen) to the gate in an attempt to take back-to-back renditions of the Great Lady M. The grey filly makes her graded-stakes debut Tuesday but enters off multiple stakes win in both open and state-bred company.

The only 3-year-olds in the field, Vegas Magic (**Good Magic**) and Chismosa (Clubhouse Ride) step up to face older rivals for the first time. Vegas Magic came out running with three-straight wins including a in the GII Sorrento S. last Aug. but hasn't been seen since a 10th to 2-year-old filly champion Wonder Wheel (Into Mischief) in the GI Breeders' Cup Juvenile Fillies Nov. 4. Chismosa also debuted a winner in her first three and was a narrowly-beaten sixth in the GIII Seniorita S. May 6.

GONZALEZ/CAMACHO SUFFER INJURIES IN SUNDAY FALL AT MONMOUTH

Samy Camacho | Ryan Thompson

After initially saying he was uninjured following a spill he was involved in on Sunday at Monmouth Park--and even riding two races later--jockey Jorge Luis Gonzalez revealed Monday that he suffered a stable fracture of his L3 vertebrae from the incident that could sideline him four to six weeks.

Gonzalez went for tests at Monmouth Medical Center late Sunday night after feeling discomfort.

"I'm in a lot of pain now," he said.

In addition, jockey Samy Camacho, involved in the same spill, will undergo further evaluation Monday in Florida to learn the extent of a right shoulder injury he suffered during the mishap, according to his agent Mike Moran.

Camacho, second in the rider standings at Monmouth Park with 29 wins, flew to Tampa Sunday night. Camacho lives in the Tampa area.

"His shoulder is sore, but the X-rays (taken Sunday at Monmouth Medical Center) did not show anything broken," said Moran. "It could be dislocated, we're not sure. But the initial X-rays did not show a break."

Camacho hit the turf in the fourth race when his mount, Bingo's Girl (**Yoshida {Jpn}**), could not avoid a fallen Momma Kim (Noble Mission {GB}) and jockey Jorge Gonzalez. Momma Kim went down after clipping heels with Gold Alliance (Goldencents), who drifted out at the three-eighths mark of the five-furlong grass event for 2-year-old fillies.

Because of the uncertainty over the extent of the injury, Moran did not yet have a timetable for Camacho's return. The 35-year-old from Caracas, Venezuela, has been riding first call for Klaravich Stables and Chad Brown at Monmouth Park, having won with eight of 14 starters for those connections at the meet.

"He will be off at least a week, maybe a couple of weeks," said Moran. "We should know more after he sees the doctor today. He wants to be 100 percent when he does come back."

Gonzalez, who has five wins from 42 starts at the Monmouth meet, said he has scheduled a follow-up with an orthopedist.

He said he initially did not think he had suffered any injuries in the spill and even rode Bayou Shack (Shackleford) to a second-place finish two races later.

JOHN HARRIS HONORED BY EDWIN J. GREGSON FOUNDATION

Thoroughbred owner and breeder John C. Harris will be honored at a charity fundraising dinner hosted by the Edwin J. Gregson Foundation. The event will take place Thursday, August 17, 2023, at The Inn at Rancho Santa Fe, in Rancho Santa Fe, CA, located just a few miles east of Del Mar Racetrack.

“We’re delighted to honor John, not only for the accomplishments of his Harris Farms Horse Division, one of the country’s leading racing stables and utmost influential owner/breeder operations, for which he has been inducted into the California Racing Hall of Fame,” says Jenine Sahadi, Foundation President. “We also acknowledge him for his many years of distinguished service to this industry as a California Horse Racing Board commissioner, board member of the Breeders’ Cup, Jockey Club, and the California Thoroughbred Breeders Association.”

Proceeds of the event will be used for continued sponsorship of various educational and recreational programs to benefit California’s backstretch workers and family members. These programs include provision of scholarship grants, English as a Second Language courses, community-focused family social events, sports and recreation activities and outings.

After a third-place finish, beaten just a half-length, in the Kingston S. for New York-breds over this course a month ago, Dakota Gold earned his fourth career stakes win by three widening lengths as the near even-money favorite. The chestnut colt bumped with a rival to his outside right after the break and was shuffled back to mid-pack in the early going where he remained in the two path and well off the rail all the way up the run up the backstretch as Call Me Harry (**Street Sense**) and Ruse (War Dancer) battled for the lead through the first half-mile in :45.67. The leading pair continued their skirmish around the bend while Dakota Gold was gearing up for his best run and soon after Ruse briefly took the lead past the quarter pole, the winner was within striking distance after being swung off the rail for clear running room. Just after passing the eighth pole, he took command, switched to his left lead and drew away to log the handy win.

"I was a little frustrated the last time he ran, but today he sat a better trip and it worked out well," trainer Danny Gargan said. "Irad [Ortiz, Jr.] knows him as well as anyone. This is his third stakes win on him. He's a quirky type of horse--some of that trouble, he causes. He can get himself in trouble. He has a little

play around in his game, but he's growing out of it. We're really happy with him. [Owner] Dean [Reeves] is a big supporter of the New York program and it's paid off with him to be patient with this colt.

The second foal out of his dam, he is a half to Ramblin' Wreck (Redesdale), SW, \$240,710, an unraced 2-year-old Dakota Country (**Mucho Macho Man**), and an unnamed colt by Caravaggio born earlier this year.

During the gallop out, Cold Hard Cash (**Maclean's Music**) sustained an apparent cardiovascular event and collapsed and died on track, the fifth horse to have suffered a fatal injury or episode during racing at the 2023 Belmont Park spring/summer meet, which began on May 4 and has featured 2,493 horses in 326 races.

"The health and safety of horses and jockeys competing at NYRA tracks is our highest priority and one that stands above all other considerations," NYRA said in a statement. "NYRA's comprehensive safety strategy is informed by the most advanced science and research in consultation with independent experts, veterinarians, and horsemen.

"Every horse entered to compete at Belmont Park is required to undergo an extensive pre-race veterinary examination before the horse is permitted to race. In addition to physical inspection and observation, regulatory veterinarians perform a detailed review of each horse's medical records, past performances and workouts. According to these well-established protocols, Cold Hard Cash passed the required pre-race veterinary inspection.

"In the course of investigating this injury, necropsy results will be analyzed by Horseracing Integrity and Safety Authority (HISA) officials as well as the New York State Equine Medical Director. NYRA, HISA and the New York State Gaming Commission will

closely review the circumstances around this incident to ensure we are providing the safest possible environment for racing and training at Belmont Park.” [Click for the Equibase.com chart or VIDEO, sponsored by TVG.](#)

ROSES FOR DEBRA (f, 4, [Liam's Map](#)--[Essential Rose](#), by [Bernardini](#)) was disqualified from first and placed second in her debut at Presque Isle last May before rolling to three straight wins--including the July 18 Malvern Rose S.--at that Pennsylvania oval. She was fourth while trying the dirt for the first time in a Keeneland optional claimer last October in her final outing for trainer Michelle Brafford and she resurfaced to win her turf debut at Pimlico last time out May 19. The even-money favorite was away alertly and was taken in hand to settle just off the early pace. She forged between foes at the top of the lane and bounded clear to score by 2 3/4 lengths. Mail Order ([Liam's Map](#)) closed late for second. DRAKE'S PASSAGE (c, 3, [Tonalist](#)--[Raucous {SW & GSP, \\$113,260}](#), by [Speightstown](#)) made his 2023 debut a winning one and earned his second straight win after breaking his maiden at Aqueduct back in December. From the gate, the bay colt took back and sat to the outside of the pace set by Ciccibello (Bellamy Road), who galloped through the first half-mile in splits of :23.24 and :46.21. The winner made his move

toward the lead on the far turn while still traveling to the outside of the early leader and was guided wider still into the head of the lane for straight aim to the wire. After drifting out under the left-handed stick in mid-stretch, he battled gamely with the determined frontrunner and prevailed in the final yards by 1 1/4 lengths at odds of 15-1. The bay colt is the first foal out of his graded stakes-placed dam, who also produced the 2-year-old colt Unique Insight ([Gun Runner](#)), an unnamed yearling full brother to Drake's Passage and a [Gun Runner](#) filly earlier this year. The dark bay colt was fanned out wide on the far turn as he made his move toward the front, took command heading into the lane and pulled away under mild urging to earn the four-length victory at even-money odds. SEVEN DAYS: A TALE OF TWO DERBYS

Auguste Rodin completes the Derby double | *Racingfotos.com*

By Emma Berry

It was the best of times, it was the worst of times. In Hamburg, a full field of 20 lined up for the Deutsches Derby, with runners from Britain and Ireland, and 11 different stables represented. On the Curragh, however, even with more than double the prize-money to the winner than in Germany after an extra €250,000 had been added to the fund, just nine runners went to post for the Irish Derby and only eight returned. There were no overseas visitors and the runners hailed from just five stables. An otherwise hugely entertaining weekend of racing at Ireland's HQ was blighted by tragedy in the feature race won by **Auguste Rodin (Ire)** (Deep Impact {Jpn}) in a far less convincing manner than his previous sweeping victory.

Epsom can take its toll on young three-year-olds. Auguste Rodin still did enough to win the Irish Derby from **Adelaide River (Ire)** (Australia {GB}), who could well be the horse to take out of the race. Like the winner, **Sprewell (Ire)** (Churchill {Ire}) and **White Birch (GB)** (Ulysses {Ire}) were caught up in the melee that ensued from the distressing fatal injury to **San Antonio (Ire)** (Dubawi {Ire}), though neither looked to be going well enough to have made an impact. Auguste Rodin, with his blend of Japan's best bloodlines mingled with Ireland's best, so became the 100th Classic winner in Europe for Aidan O'Brien, who would still have achieved that extraordinary feat had any of the first three dropped out. PADDINGTON AND EMILY UPJOHN ON COURSE FOR CORAL-ECLIPSE CLASH

Emily Upjohn (GB) (Sea The Stars {Ire}) and **Paddington (GB)** (Siyouni {Fr}) are among the star names to have stood their ground for Saturday's G1 Coral-Eclipse S. as they feature among the six horses left in the Sandown showpiece.

The John and Thady Gosden-trained Emily Upjohn made a tremendous start to her campaign in the Coronation Cup at Epsom last month and will revert in trip for the Coral-Eclipse with William Buick set to take over from the suspended Frankie Dettori.

Aidan O'Brien said last week that a step up in distance was under consideration for his Irish 2,000 Guineas and St James's Palace S. hero Paddington and that colt was left in the race on Monday along with his stablemate Luxembourg.

The latter notched his third Group 1 win in the Tattersalls Gold Cup at the Curragh in May and has since gone on to finish second to Mostahdaf in the Prince of Wales's S. at Royal Ascot.

Seven Days

by Emma Berry

Cont. from p1

The trainer had the clean sweep of the first four home, with his son Joseph's **Up And Under (Fr)** (Lope De Vega {Ire}) the closest challenger in fifth.

With the Derby runner-up **King Of Steel (Wootton Bassett {GB})** unfortunately swerving a rematch with Auguste Rodin in favour of Royal Ascot, the Irish Derby had still looked an intriguing prospect beforehand with three of the first four from Epsom meeting again. When it comes to upholding the Derby form, the right horse won, and it is very much hoped that Auguste Rodin goes on to achieve championship status. But it will also be interesting to track the progress of Adelaide River, who looked the one who has thrived since Epsom, where he finished eighth.

That day, the winner looked something very special indeed. In no way as physically imposing as King Of Steel (few Flat horses are), Auguste Rodin had the air of a horse just out for an easy breeze whereas he was in fact tanking down one of the most famously difficult courses in the world, extending his stride as he liked. He didn't offer up the same impression at the Curragh, but he now has two Derby victories on his ledger, and the key now will be what he can do from here. Ten furlongs has of course been mooted, and that should be well within his capabilities, but then again, so should stepping up in trip in time, even though that comes, wrongly, with its own future commercial dangers.

'Over the Moon'

Auguste Rodin's sire Deep Impact was of course the bedrock of the Japanese stallion business for many years, with seven Tokyo Yushun (Japanese Derby) winners to his name since he won the race himself in 2005. A Triple Crown winner (though Japan's version of the 2,000 Guineas, the Satsuki Sho, is run over 2,000m), he also won the GI Tenno Sho Spring over two miles as a four-year-old.

Japan is a nation in which stamina of the highest class is still as much revered as it is in Germany, where on Sunday the 2014 Deutsches Derby winner Sea The Moon was represented by his first winner of the German Classic in **Fantastic Moon (Ger)**.

Sea The Moon may have slipped his leash when it came to standing in his native country but the son of **Sea The Stars (Ire)** still plays a very active role in results there despite standing in England at Lanwades Stud.

Over the weekend in Hamburg, he was also represented by the G2 Grosser Hansa-Preis winner **Assistent (Ger)** and G3 Brummerhofer Stuten-Meile winner **Muskoka (Ger)**, while another daughter, Kassada (Ger), was only just touched off by **Princess Zeldä (Ger) (Zarak {Fr})** in the G3 Hamburger Stutenpreis. Furthermore, his son **Westminster Moon (Ire)** won Sunday's Polish Derby. Unsurprisingly, Sea The Moon is head of the sires' table in Germany.

Marion and Philipp Stauffenberg with Classic producer Frangipan

His Derby winner Fantastic Moon was the champion two-year-old last season and was bred by Philipp and Marion Stauffenberg, whose profile is high outside Germany as leading pinhookers and consignors on the sales circuit. Breeding is at the heart of their operation, however, and in many ways Fantastic Moon represents matters of the heart as his third dam, Fraulein Tobin (J O Tobin), was bought by the Stauffenbergs 30 years ago, not long after they became a couple.

By Monday afternoon, Philipp Stauffenberg's voice was still raw with the emotion of Sunday's result when speaking to the *TDN*.

He said, "Breeding a Derby winner is absolutely sensational, and we are over the moon, which is fitting. We have to value these days and enjoy that success because we all know that we don't have many of these days.

"This traces back to Fraulein Tobin, who was the start of Marion and myself, so that's really the icing on the cake. He's not just a Derby winner, but a Derby winner from our breeding family which goes right back."

Along with Fantastic Moon's dam, **Frangipani (Ger)** (Jukebox Jury {Ire}), the Stauffenbergs retained her unraced half-sister by Harzand (Ire). They also bought into another branch of the family with the purchase of Fraulein Tobin's granddaughter **Relevant (Ire)** (So You Think {NZ}), who won in their colours in England and is now the dam of French winner Rain (Ger), who is also by Sea The Moon.

"We are lucky that at the moment we have three young mares from that family," Stauffenberg continued.

"We try to balance out the commercial side to survive, and that gets more difficult every year. Unusually among our homebreds, Fantastic Moon is eligible for the German premiums. We sold the horse for €49,000 but in winning the German Derby he earned another €117,000 in breeders' premiums."

The breeder is full of praise for Fantastic Moon's young trainer Sarah Steinberg, who has fewer than 30 horses in her Munich stable but last year was represented by her first Group 1 winner in **Mendocino (Ger)** (Adlerflug {Ger}), swiftly followed by her first Derby winner.

"She is such a good horsewoman," he said. "If she has a good one, she will produce it, and we all know that in some of these big yards these horses are lost and don't always achieve what they are able to do. In smaller yards, they really appreciate the horse they have rather than it just being a numbers game."

Frangipani is now in foal to Sea The Moon's sire **Sea The Stars** and she has a **Starspangledbanner (Aus)** two-year-old filly to represent her, while the Stauffenbergs are currently deliberating whether to keep her yearling filly by Masar (Ire).

It is not only the female side of Fantastic Moon's family with which Stauffenberg has an affinity as he was responsible for buying Sea The Moon's granddam Sacarina (GB) (Old Vic {GB}) as a foundation mare for Gestut Karlshof. That, too, was a job well done, as among her offspring are the Deutsches Derby winners Samum (Ger) and Schiaparelli (Ger) and the Preis der Diana winner Salve Regina (Ger).

More satisfying, however, was breeding his own Derby winner.

"This is really fulfilling a dream, to be able to breed a Group 1 winner. The commercial results, the sales results, we need those to survive, but the aim is always to breed a top-class horse, and that can't be beaten," he said. "Jukebox Jury was a very good racehorse and he was a stallion we could afford to use, and now his daughter has bred a Derby winner with her second foal.

"It just shows that it can be done, even if you are not one of the superpowers. It should encourage breeders to use proven, good horses. There is such a focus on breeding precocious sprinters, but the demand for the staying horse is still there, so it is important not to lose the angle of being able to do that."

Way To Go

There has been plenty of notable success for horses bred on the Fastnet Rock (Aus)-Galileo (Ire) cross, but few can have been bought so inexpensively as subsequent Group 1 winner **Via Sistina (Ire)**. Now five, she was picked up for 5,000gns by Stephen Hillen as a yearling, and the backward-looking filly has since turned into quite the swan in the colours of the agent's wife Becky. Following two wins when trained by Hillen's old friend Joe Tuite, Via Sistina joined George Boughey's yard when Tuite stopped training last year, and her profile has continued to rise with three group victories in France, England and Ireland, culminating in Saturday's G1 Pretty Polly S.

Out of a half-sister to Group 1-winning sprinter Kingsgate Native (Ire) (Mujadil), Via Sistina was bred by Colin and Melba Bryce of Laundry Cottage Stud, another of whose star graduates, **Wootton Bassett (GB)**, made his presence felt at the Curragh over the weekend.

The Coolmore sire was represented by a one-two in the G2 Railway S. for **Bucanero Fuerte (GB)** and **Unquestionable (Fr)**. The winner's full-brother is the G1 Prix de l'Abbaye winner Wooded (Fr), who stands at Haras de Bouquetot.

Bucanero Fuerte had previously finished third in the G2 Coventry S., behind the winner River Tiber (Ire), who was one of two group winners for **Wootton Bassett** at Royal Ascot, along with King Of Steel.

Mile to Manton

The stallion roster at Manton Park Stud will expand again in the coming seasons, with Group 1-winning juvenile **Dubai Mile (Ire)** set to join the line-up at the conclusion of his racing career.

Bred by Lady O'Reilly's Skymarc Farm, the colt from the sole crop of Roaring Lion was bought Mark and Charlie Johnston for €20,000 at the Goffs Orby Sale and races in the colours of Ahmad Al Shaikh. The Dubaian owner has now sold a 50 per cent share of the colt to Martyn and Freddie Meade, who will take over his training in Manton before he joins their stallion barn, which already houses Aclaim (Ire) and Advertise (GB).

Since winning the G1 Criterium de Saint-Cloud last October, Dubai Mile has run fifth in the 2,000 Guineas, ninth in the Derby and was fourth in the G2 King Edward VII S. at Royal Ascot.

Epsom Hero Dwyer Bows Out

Martin Dwyer, left, aboard Pyledriver | Emma Berry

The British weighing-room will be permanently without one of its most amusing members following the retirement of dual Classic-winning jockey Martin Dwyer. The Liverpool-born rider has been off the track since March 2022 with a ligament injury to his knee and, after several bouts of surgery, has had to admit defeat in his attempt to return to the saddle.

The 48-year-old has won all three Group 1s at Epsom, starting with the Oaks in 2003 aboard Will Farish's homebred Casual Look (Red Ransom) and followed three years later by his last-gasp Derby victory on Sir Percy (GB) (Mark Of Esteem {Ire}) for Anthony and Victoria Pakenham. The full set was completed in the Coronation Cup on Pyledriver (GB) (Harbour Watch {Ire}), trained by his father-in-law William Muir.

"It's tough because I'm not finishing on my terms," Dwyer admitted when announcing his retirement on Racing TV. "I'd like to go out like Frankie [Dettori] and do a world tour, but I'd probably be at Wolverhampton and Southwell!"

The potential line-up is completed by Simon and Ed Crisford's West Wind Blows, who produced a career-best when second to Pyledriver in the Hardwicke S. at the royal meeting.

EUROPEAN NEWS

FALMOUTH TARGET FOR VIA SISTINA

Via Sistina | Scoop Dyga

George Boughey has pencilled the G1 Falmouth S. at Newmarket in for his Group 1 heroine **Via Sistina (Ire)** (Fastnet Rock {Aus}) following her Pretty Polly S. romp at the Curragh on Saturday. Stepping up to the highest level for the first time following a brilliant display in the Dahlia S. in May, Via Sistina ran out an authoritative winner of the Pretty Polly to provide her trainer with a first ever success on Irish soil in the hands of Jamie Spencer. Boughey says that his stable star deserves even more praise given the underfoot conditions were not as testing as connections had hoped.

"She was very good and confirmed what we hoped," he said. "When the rain didn't come it was in the balance whether she was going to start and huge credit to the owner Steve Hillen for making the call and wanting to run, because she will be better on slower ground."

[Cont. p7](#)

"She's come out of the race in great shape and I couldn't be happier with her really. She showed a real turn of foot on ground that was possibly too fast for her. I'm delighted for Steve and Becky. Steve bought her and has nurtured her all the way along. Joe Tuite (former trainer) had a massive part to play and I've just been the lucky recipient that's got her when she's coming to her peak. To go over there and beat them in one of their top fillies-only Group 1 races was a huge thrill."

While the ground will remain a key factor in future plans for Via Sistina, Boughey views the Falmouth on July 14 as a logical next port of call.

He said, "I haven't trained a horse who is quite so trip-versatile of any quality really. I wouldn't mind bringing her back to a mile, but Jamie said she stays well and you could almost go up in trip."

"The options are very open for her, but we are going to work towards the Falmouth-that's the plan at the moment-because it can come up soft the week of the July meeting."

"It's drying ground in Newmarket at the moment, but we're going to work with that in mind. If we were to get rain and she was in good form, we'd love to turn up for Newmarket."

"We'll just continue to do what's right for her really. If there's any firm in the description she certainly won't be running, but at least we know she's a Group 1 winner on good ground now."

GOSDEN HOPING NASHWA CAN SHOW TRUE COLOURS AS SEASON PROGRESSES

Nashwa | Scoop Dyga

Beaten but unbowed. That is the mood in the Gosden camp after dual Group 1 winner **Nashwa (GB)** (**Frankel {GB}**) suffered a surprise defeat on the all-weather at Newcastle on Friday.

The four-year-old is reported to have come out of the race in good shape, however, and Gosden is hoping the real Nashwa can show up as the season progresses.

"I wasn't too unhappy with her. She will be fine. She is taking her time to come to herself. A lot of fillies can take time," John Gosden said. "We'll give her a bit of time and see how she is, but she is okay and has taken it well enough."

Nashwa has not managed to get her head in front since landing the Nassau S. at Goodwood last season. She was beaten less than a length behind Al Husn (Ire) (Dubawi {Ire}) over 10 furlongs at Newcastle last Friday on just her second start of the season.

SHOCK ROYAL ASCOT WINNER KHADEM IS JULY CUP BOUND

Khaadem: could bid to confirm himself a top-notch sprinter | Megan Ridgwell

Shock Royal Ascot hero **Khaadem (Ire)** is likely to be supplemented for the Pertemps Network July Cup S. at Newmarket later this month providing conditions remain dry in the lead up to the race. Charlie Hills' 7-year-old has always threatened to be a high-class speedster and finally landed a long-awaited Group 1 victory when running out an 80-1 winner of the Queen Elizabeth II Jubilee S. at the royal meeting. The son of Dark Angel (Ire) is reported to have bounced out of his Ascot run well and connections now appear keen to try to strike again while the iron is hot, with the Fitri Hay-owned gelding poised to be added to the line-up for the six-furlong contest on July 15.

"He's come of of Ascot really well. We haven't done much with him since, but he's been cantering and moving nicely," said Hills. "It's taken a while to get the Group 1, it was his ninth attempt someone told me."

"But we've always liked him a lot and especially when he won the Stewards' Cup as a 3-year-old, he looked like he was going to be a really good horse. It's just taken a long time to get to where we are now."

"We didn't put him in the July Cup, but I would say if it stays dry there is a good possibility he will be supplemented for it.

"There are a couple of 3-year-olds coming into the equation now which makes things more intriguing and it will be interesting to see how they do, but it's mostly similar types of horses that we beat the other day, so I think it's the obvious race to go for if it does stay dry. He loves fast ground so if it does stay dry, we will certainly have a good look at it."

DETTORI MEMORABILIA AUCTION STARTS WEDNESDAY

Frankie Dettori | Cheffins

Frankie Dettori will sell over 120 pieces of memorabilia from his legendary career in an online auction through Cheffins in Cambridge starting Wednesday, July 5 and continuing for two weeks. Dettori, who has been aboard over 4,000 winners throughout his career, is set to retire in November. "I'm going to be 53 and I wanted to stop at the top," Dettori said. "I still feel that I'm riding well enough to finish at the top. I think it's the right time. My heart doesn't want to stop but my brain is telling me to stop. It's not going to be easy. We're going to move away from Newmarket. Newmarket's been my life. We're scaling down and I've got so much stuff, we thought we might as well just auction it. I didn't realise because they end up in drawers, in cupboards, in the cellar. I mean they're all over the place. Now we're clearing up a lot of stuff we didn't realise how much accumulated in so many years."

Among the items on offer are signed jockey weighing scales, which were gifted to Dettori by Steve Cauthen and which he claims he has been "jumping on and off for over thirty years", and the trophy from his final win in the Oaks this year.

Part of the proceeds will go to the charity Direct Aid for Africa (DAFA), and some will go to Dettori's five children.
