# UMB VPN Entitlement System Instructions

The VPN Entitlement System is used to request access to a VPN group.  To access the application, go to https://citscf.umaryland.edu/vpn/. Log in with your UMID and password along with DUO Multi-Factor Authentication.

**Adding Yourself to a VPN Group**

If you are currently assigned to a VPN Group, you will receive a warning that your current VPN access will be changed (you can only belong to one VPN group at a time).  Click **OK** if you want to change your VPN Group.

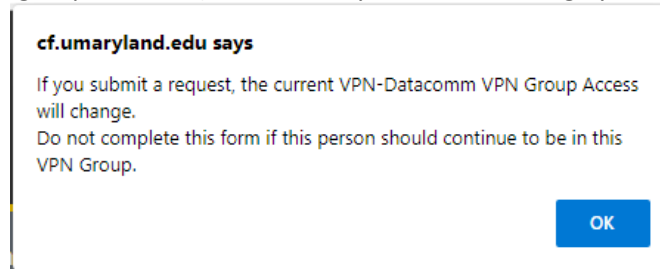

Most of your information is filled in and cannot be edited.  For **Type of Request** choose **Add**.
- Select **Member Access Level** to be added to a group.
- Select the **VPN Group Name** you are requesting to be added.
- Click **Submit**.

Your request will be sent to a VPN Group Owner of the VPN Group you requested access.

**Adding VPN Access for Another Individual**

Click on **Access Management Request**, then select the <u>Completing VPN Group access request for someone else</u> link

You are prompted to enter the last name of the person you are wishing to add to a VPN Group. You can also enter a first name to narrow the results. Enter the **last name** and if desired the **first name** then select **Search**.

Click on the name of the person you are adding to a VPN Group

Most of the person's information is filled in and cannot be edited. For **Type of Request** choose **Add**.
- Select **Member Access Level** to be added to a group.
- Select the **VPN Group Name** you are requesting to be added.
- Click **Submit**.

Your request will be sent to a VPN Group Owner of the VPN Group you requested access to.

**Approving a Request (VPN Group Owners Only)**

You will receive an email from VPNAdmin@umaryland.edu when you need to approve an **Add** or **Remove** request in the VPN Entitlement System.  The email will be similar to the message below:
